

BENCO
Agency
POLICIES AND PROCEDURES

SUBJECT: HEALTH

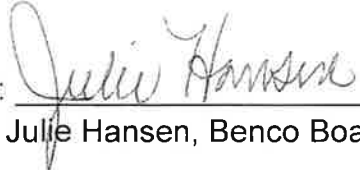

OAR: 411-323-0060 (1)

POLICY:

(1) Benco has implemented policies and procedures that maintain and protect the health of individuals served.

Benco will assist the individual to access the community including health care and mental health resources.

Medical and health care needs will be monitored, both through the individual support plan and on an ongoing basis. Support services will be provided for all individuals as needed and identified through the individual support plan.

Approved By: 
Julie Hansen, Benco Board President
